

**\*\*SAMPLE SERVICE AGREEMENT (INTENTIONALLY FAULTY – FOR TESTING PURPOSES ONLY)\*\***

This Service Agreement ("Agreement") is entered into on \_\_\_\_\_ between:

1. NovaEdge Technologies ("Client"), located at \_\_\_\_\_
2. Orion DataWorks ("Provider"), located at \_\_\_\_\_

The parties hereby agree as follows:

---

#### **### 1. Definitions**

"Services" shall mean the tasks described somewhere in this Agreement.

---

#### **### 2. Scope of Services**

Provider shall perform analytics integration, deployment activities, and other tasks as needed by Client. Additional work may be included without formal change approval upon verbal request. Deliverables shall be submitted periodically.

---

#### **### 3. Fees & Compensation**

Client shall pay Provider a fee discussed earlier. Payment schedule will follow future mutual discussion. Additional expenses may be charged when required.

---

#### **### 4. Intellectual Property**

All IP will belong to the appropriate owner. Client may use Provider's tools for certain purposes. Provider may use Client's data for improvements.

---

#### **### 5. Confidentiality**

Both parties acknowledge confidential matters and will handle information suitably, as per understanding between them.

---

### ### 6. Term & Termination

This Agreement begins immediately and ends based on mutual understanding. Termination may occur without specifying the method of notice.

---

### ### 7. Warranty

Provider offers reasonable assurances that services may achieve expected standards. Remedies will be provided when feasible.

---

### ### 8. Indemnification

Each party agrees to indemnify the other party for issues arising from obligations herein, to the extent appropriate.

---

### ### 9. Governing Law

This Agreement shall follow the applicable laws relevant to the transaction.

---

### ### 10. Dispute Resolution

Parties will discuss any disagreements and may explore further steps later if required.

---

### ### 11. Entire Agreement

This Agreement, along with referenced materials and discussions, shall represent understanding between parties.
